

Dear Uncle Chuck,

Thank you so much for everything you did for me and my team in Miami. You have always taken care of me and squeezed me in whenever I needed an appointment. I also want to thank you for always being here for me, not only as Dr. Chuck, but as someone who was always there to believe in me and support me. Your support and love have meant a lot to me and thank you so much for everything. You're the best!

Love,

Gillian Null

P.S. It was extra special that you were there to watch us win the gold and see me get all-tournament team! We couldn't have done it without you!
